

The All Star Provider Portal

Your Most Important Tasks. All in One Place.

The All Star Provider Portal offers a better, more streamlined way to manage your locum tenens journey. From applications and credentialing to timesheets and expenses, everything stays organized in one secure place so you can spend less time on administrative tasks and more time focusing on your patients.

Why You'll Love It

- **One Central Hub**
Keep your Provider Application, credentialing requirements, timesheets, and expenses organized in one secure location.
- **Less Back-and-Forth**
Submit documents, complete tasks, and receive important updates without digging through email chains.
- **Stay on Track**
Track your application and credentialing progress so you always know what still needs your attention.
- **Easy Time & Expense Submission**
Complete and submit timesheets and expenses in just a few clicks, then quickly see whether they're approved or require updates. This new process helps improve pay accuracy and supports our ability to offer weekly pay in the future.
- **Access Anytime**
Log in anytime to review information, complete outstanding tasks, and stay up to date on your progress.

What You Can Do in the Portal

- Complete your Provider Application
- Upload credentialing documents
- Track credentialing progress
- Submit timesheets
- Submit expenses

Built for Busy Providers.

We're committed to making your locum tenens experience as seamless as possible. The All Star Provider Portal is one more way we're helping you stay organized, save time, and simplify the administrative side of your locum tenens journey.
